Dear Guest

We are inviting you to attend a dissemination event to celebrate Llais yr Afon hosted by Small World Theatre. This is an opportunity to celebrate the environmental and community-based project funded by the Esmée Fairbairn Foundation and The National Lottery Heritage Fund, and to view Mapping the River.

Mapping the River is an exhibition in celebration of the work of the communities who have contributed their creativity and communicated their concerns and ambitions to restore and protect the river for nature and the wellbeing of future generations.
