

Free - Plants and Their Associated Species Workshop

Saturday 27th June

11:00am – 1:00pm

Cuppa available from

10:45am

At: Llanfihangel-Rhos-y-corn church hall.

Tutor: Laura Moss, West Wales Biodiversity Information Centre.

Places are limited, so please book as soon as

possible to secure a place on the workshop by emailing Sarah on capeldewi@energylocal.org.uk

The session will cover a range of common wild plants and their various associated species including examples of fungi, galls and invertebrates. The aim is to widen awareness of what is going on

around us and the importance of interactions on a small scale. There will be a presentation along with samples to view.

- This workshop is designed for adults over 18 years of age.
- The workshop will be run in the medium of English.
