Aberystwyth University

## Showcase of Resilience Projects in the Dyfi Estuary

In recent years, many different projects have sought to increase community resilience in the lower Dyfi valley and surrounding area. In this showcase speakers from seven past and present projects will share their experiences, focusing on key insights, challenges, and lessons learnt and together we will discuss what can and should be done in future

**4.00 - 5.30 pm** Presentations from TRACC, Tir Canol, LPIP, Dyfi Biosphere, 'Remembering Storms, Building Resilience', Borth Community Hub and Ynyslas Nature Hub and Pen Llŷn a'r Sarnau SAC

**5.40 - 6.00 pm** Panel Q&A

**6.00 - 7.00 pm** Small group discussions (optional): What have we learned from these projects? What challenges have they encountered? What remains to be done?
