VETERAN TREES

A guided walk with Doug Lloyd**Saturday 10 October 2026 | 2:00pm - 4:00pm**

Join us for a short guided walk of approximately 1½ hours (under 3 miles) in search of veteran trees. Doug Lloyd will lead the walk and explain how to recognise the features that can indicate a veteran tree, as well as how veteran trees can be identified and recorded.

Along the way we'll look at some of the features that make older trees so valuable for wildlife and the wider woodland environment.
